BRANCO DOURO – DOC

40% Arinto + 40% Viosinho + 20% Moscatel Galego Branco

Vol. 13,5%

Vinho de cor citrina com toques esverdeados, e de aspeto brilhante. Aroma a fruta cítrica e toques florais, com notas típicas da casta Moscatel Galego. Na boca mostra corpo e frescura, com um excelente compromisso. Termina harmonioso e exuberante.

Bright lemon in colour with greenish tones. Has a very intense and complex bouquet, with a prevalence of citric fruits, fresh green and mineral notes. It's palate shows great harmony and a fine body, with fruity and mineral flavours again in evidence. It has a long and balanced finish.
